Let tyrants and slaves sub...mis...sive...ly tremble And bow down their

*stars round the Palmetto tree*

We honor, yes honor, bold South Carolina,  
 Though small she may be, she's as brave as the best  
 With flag-ship of State, she's out on the ocean  
 Buffeting the waves of a dark billow's crest  
 Farewell forever, &c.

We honor, yes honor, our seceding Sisters  
 Who launched this brave bark alone on the sea,  
 Though storms may howl and thunder distraction,  
 We'll hurl to the blast the proud Palmetto tree,  
 Farewell forever, &c.

And when to the conflict the others cry onward,  
 Virginia will be first to rush to the fight,  
 She'll break down the iceberg of Northern coercion,  
 And rise in her glory of Freedom and right.  
 Farewell forever, &c.

When the fifteen Sisters in bright constellation,  
 Shall dazzling shine in a nation's emblem sky;  
 With no hands to oppose, nor foes to oppress them,  
 They will shine there forever, a light to every eye.  
 Farewell forever, &c.
